BOX-AND-WHISKER PLOT #7A way to display data that shows how the data is grouped or clustered is a box-and-whiskerplot. The box-and-whisker plot displays the data using quartiles. Put the data set in order, lowest to highest. Create a number line which is slightly greater than the range of the data. Find the median of the data set. Place a vertical line segment (about two centimeters long) above th...
